Angela, Yes, that would be fine, although those items will be fairly quick status update. Also, it makes sense to move the NWEA FOIA discuss up so that it follows the NWEA petition discussion since these topics have overlap. Edits added to the attached.

I added a few comments. Mike/Karen – could you discuss the NWEA petition after you talk about the MOA and PQR? I'd like to listen to the petition discussion if possible (at least catch the last part of it) but will be on a HQ call for the first hour of the meeting. Thanks.

Michelle, I had a couple of comments on the agenda as per the attached revision. If we do not get any items from Peter, let's remove the Puget Sound topic under coordination. I will call Mary Lou to discuss the Columbia River topics. Thanks for your preparation and coordination of us for this meeting.
